MAIL STOP PATENT APPLICATION

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

INFORMATION DISCLOSURE STATEMENT

SIR:

In accordance with 37 CFR §1.56 and § 1.97(b), Applicants wish to call the attention of the Examiner to the references listed on the accompanying form PTO-1449, copies of which are enclosed.

These references are relevant because they are cited in Applicants' specification or in a Search Report of the German Patent Office in a corresponding application. A copy of that Search Report is also enclosed.

Copies of U.S. patents are not included pursuant to Pre-OG Notice dated July 11, 2003.

Applicants also note English language counterparts of non-English references as follows:

English language abstract	=	DE 199 23 780 A1
English language abstract	=	DE 197 55 422 A1
US 5,925,456	=	DE 196 35 704 A1
US 5,895,714	=	DE 195 32 220 A1

The examiner will note that the search report provided by the German Patent Office includes a typographical error in its list of references. Reference DE 197 55 922 A1 in Class C 09 J is cited, but we believe this was intended to read DE 197 55 422 because a copy of DE 197 55 422 was enclosed with the search report. Further, upon investigation of DE 197 55 922 A1, it was found that although such a patent exists, its class is listed as E 06 B.

It is believed no fee is due but, if it is, please charge the cost therefor against the account of the undersigned, Account No. 14-1263.

Consideration of the foregoing in relation to this application is respectfully requested.

Respectfully submitted,

NORRIS, McLAUGHLIN & MARCUS, P.A.
